Course Outline

TROPICAL FURTHER OFFSHORE EMERGENCY TRAINING (T-FOET)

- Duration:** 1 day – Theory and Practical
- Course Size:** Minimum – 4 /Maximum – 16 (participants)
- Language:** This course can be presented in Thai (ภาษาไทย) and English
- Price** Please contact

Course Overview

During the T-FOET program delegates will have an opportunity to practice and demonstrate skills which it is not possible to practice offshore during drills, exercises and offshore training. They will be required to demonstrate their skills and the level of knowledge and understanding of the following key areas.

Who should attend

This program is designed to meet the further onshore safety and emergency response training and assessment requirements for personnel working in the offshore oil and gas industry.

Course Outline

- Helicopter Safety and Escape
- Firefighting and Self Rescue

Certification

OPITO certificate. Validity period is 4 years (3 years in Thailand).
