#### Course Overview

During the BOnST program delegates will gain a basic level of understanding and an awareness of safety and emergency response on offshore installations.

They will be required to demonstrate their skills and the level of knowledge and understanding of the following key areas.

#### Who should attend

This program is designed to assist in meeting the initial onshore safety and emergency response training and assessment requirements for personnel new to the onshore oil and gas industry in Thailand.

#### Course Outline

- Safety Induction
- Basic First Aid
- Fire fighting and Self Rescue

#### Certification

TPTI certificate, subject to Thailand national competency standard. Validity period is 3 years.

#### Schedule

At least twice every week with custom schedules designed to fit to client crew change requirements.
