

## About This Course

The Certificate of Proficiency in Fast Rescue Boats (PFRB) is a practical training course for seafarers who are required to take charge of a fast rescue boat and any crew on a Merchant Navy vessel who make up part of the FRB crew.

The programme provides a combination of classroom theory sessions and practical boat operations on open water. Upon completion of the course, delegates should be able to demonstrate competence to:

- Take charge of a fast rescue boat during and after launch
- Right a capsized fast rescue boat
- Use communication and signalling equipment between the fast rescue boat, a helicopter and a ship
- Carry out search patterns
- Use the emergency equipment carried
- Recover a casualty from the water and transfer to a rescue helicopter, or to a ship or place of safety

### **Certification**

On successful completion of the course, participants will receive a Proficiency in Fast Rescue Boats (PFRB) certificate approved by the Liberian Registry, the world's largest quality registry.
