

About This Course

This course is the STCW approved course for anyone who is a coxswain or crew of the on-board lifeboat or rescue boat.

The aim of the course is to give all delegates the skills and knowledge required of a lifeboat or rescue boat coxswain. Upon completion of the course, delegates should be able to demonstrate the capability to:

- Take charge of a survival craft or rescue boat during and after launch
- Operate a survival craft engine
- Manage survivors and survival craft after abandoning ship
- Use locating devices including communications, signalling apparatus and pyrotechnics
- Apply first aid to survivors.

Certification

On successful completion of the course, participants will receive a Proficiency in Survival Craft and Rescue Boats (PSCRB) certificate approved by the Liberian Registry, the world's largest quality registry.
